

As little as a 1/2 Percent Downpayment

Homeownership may be just around the corner with the CHF ACCESS Loan Program.

The Program combines a 30-year fixed interest rate FHA Mortgage Loan with downpayment and/or closing cost assistance in the form of a low and fixed interest rate Second Mortgage.

Total financing up to 99.5% of the purchase price is possible. That means the downpayment from the homebuyer's own funds could be as little as 1/2 of a percent of the purchase price.

The Program can be used to purchase either a new or existing home, as long as it will be the primary residence of the homebuyer.

The Program also features a variety of flexible qualifying guidelines.

For example, the Program is **not restricted to first-time homebuyers.**

Families or individuals who may have owned a home in the past are still eligible to apply for the CHF ACCESS Loan Program.

- **Fixed interest rates**
- **Second Loan available to assist with downpayment and/or closing costs***
- **Low-to-moderate incomes**
