ENERGY USAGE DATA RELEASE FORM
(CHF Residential Energy Retrofit Program)

I/We, the undersigned, in connection with the CRHMFA Homebuyers Fund ("CHF") loan being obtained by the undersigned to fund energy efficiency retrofit work to be performed on the residence I/We own (the "Retrofit Work"), acknowledge that funding for my/our loan comes from a grant from the California Energy Commission ("CEC"). One of the conditions of the grant, and of my/our loan, is that CHF acquire monthly energy usage data for my/our residence: (i) for the one-year period before the Retrofit Work is performed; and (ii) on a continuing basis following completion of the Retrofit Work (the "Energy Usage Data"). Energy Usage Data includes, but is not limited to, information contained in my electricity, natural gas, propane, and other utility (e.g. heating, cooling, gas and power) bills.

In order to assist CHF with providing the CEC with the required Energy Usage Data, I/We consent and agree as follows:

- I/We agree to cooperate, to the fullest extent possible, with CHF in obtaining the Energy Usage Data from my/our utility company(ies), and in providing such data to CHF and the CEC. Without limiting the generality of the foregoing, I/We agree to:
 - Execute such written release(s) and/or other documentation as CHF, the CEC or the utility company(ies) may require to authorize the release of the Energy Usage Data to CHF and the CEC; and
 - Directly provide CHF and/or the CEC with the Energy Usage Data to the extent CHF and/or the CEC are not able to efficiently obtain the Energy Usage Data from my/our utility company(ies).
- I/We agree (at any time and from time to time after the execution hereof), upon the written request of CHF and/or the CEC, to execute and deliver such further documents and do such further acts and things as CHF and/or CEC may reasonably request in order to effect fully the purposes, agreements and obligation set forth herein.
